

HERSETH SANDLIN ACCEPTING FALL INTERN APPLICATIONS

June 17, 2010-The Office of United States Representative Stephanie Herseth Sandlin (SD-AL) is currently accepting applications for fall internships in her Washington, D.C., Aberdeen, Rapid City, and Sioux Falls offices. The deadline for fall term intern applicants is Friday, July 16. South Dakota natives who are current college students are strongly encouraged to apply.

“An internship in one of my offices during the fall will offer the opportunity to see the government at work,” Rep. Herseth Sandlin said. “An internship provides a chance for a valuable educational experience as well as an opportunity for personal development and professional growth. Because of the abundance of issues facing Congress, it is an excellent time to learn the political process first hand.”

Interns in the Washington DC office will get a close up view of the how a Congressional office functions on a day-to-day basis. They will have the opportunity to attend Congressional hearings and briefings, as well as conduct legislative research and work with constituents.

Interns in the state offices work on conducting outreach to different parts of the state, assist South Dakotans with federal programs and work on specially assigned projects.

All questions and applications should be directed to Intern Coordinator: Katie Boehnke via e-mail at Katie.Boehnke@mail.house.gov or by fax to (202) 225-5823. Applications are located on the Congresswoman’s website: <http://hersethsandlin.house.gov/> under the constituent services tab, or by clicking [here](#).
